

THE TOOMBUL TIMES

FEBRUARY 2019 NEWSLETTER

DEVELOPMENT UPDATES

Construction on our super exciting new dining and entertainment precinct is progressing well and is still on track for our estimated opening of November 2019.

Piling will continue to progress through the Northern Carpark and you will notice changes to our traffic management during this time. As part of this, the installation of a temporary gantry will maintain pedestrian access into the centre from this carpark.

Void infill works above Bed Bath N Table and the food court will commence in February. Works will be completed after trade with dust covers to protect all ground and level one tenancies.

Construction will commence in a portion of the Level 1 undercover carpark to begin building the new mini major tenancy which will result in the closure of 50 carparks.

In March, you will see further impact to the centre including the Food Court closing for 4 weeks to allow for a full renovation of this area. This will include refurbishments to furniture, ceiling finishes and refurbishments to many of the tenants. The Food Court will reopen in early April 2019. Pop up will incorporate some foodies to ensure takeaway food is still an option for our customers. Existing foodies, please prepare for this closure. You will see an increase in customers to your store while the food court is closed and you may want to look at introducing some quicker takeaway food options to your menus.

If you have any questions or concerns about the impact of these works, please get in touch with our Centre Manager Melanie Hodge. We look forward to keeping you all in the loop and sharing updates on these exciting development plans with you all.

WELCOME TO TOOMBUL!

OPENING SOON

PANDORA

VALENTINE'S DAY

Thursday 14 February is Valentine's Day. If your store has any special offers or promotions for this celebration, please email the details to toombul@mirvac.com so that we can advertise these for free on our website and social channels.

TINY TOWN

The Food Court closure in March, will also mean the closure of our indoor play area...but we are installing an exciting replacement, next to Rashays. Soon we will be launching Tiny Town - the new play zone at Toombul for little kids with BIG imaginations. Tiny Town will consist of a collection of bespoke cubby houses designed into small play shops for kids including a Bakery, Post Office, Farmer Market & Café. This play area will be located outside, in between Billy Baxters and Rashays. Keep an eye out for this new activation.

BOOMERANG BAGS

Boomerang Bags is a community driven initiative, dealing with the issue of plastic pollution at a local level by providing a free and sustainable alternative to plastic bags. The community groups rely solely on the generosity, time and creativity of volunteers who get together to make re-useable 'Boomerang Bags' using recycled materials.

To support our local Boomerang Bag team, we are collecting spare bits of fabric until 17 February that we can then pass on to the volunteers to make some more Boomerang Bags. We are seeking all types of material, from cotton, drill, corduroy, polyester blends etc. If you have any spare material at home and would like to donate this cause, please drop the material into the collection cage outside Spendless Shoes. Please note: Materials must be in clean and good condition

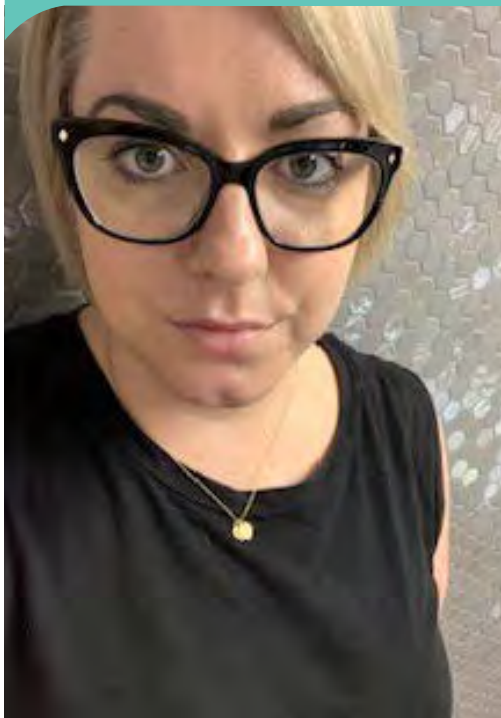

PAINT, PINEAPPLE & PROSECCO

Savour a wine, indulge in cheese and learn the basic techniques of water colour painting at our upcoming Mums & Co workshop - Paint, Pineapple & Prosecco. Local artist, Wendy Cumes Rowell has over 20 years experience as an Art Director and will take guests through a step by step process on how to create their own pineapple print to take home at the end of the night.

This event will be held on a Thursday 21 February from 6.30pm in the space next to Watchworks. We hope to see some of your drop by to see what's it's all about. Tickets to this event will be available for purchase via our website in a few weeks.
