

THE TOOMBUL TIMES

APRIL 2019 NEWSLETTER

DEVELOPMENT UPDATE

There are lots more development changes happening this month as we continue construction on our new dining precinct UPSTAIRS.

Piling is nearing completion in the Northern Carpark and you would have noticed the gantry (customer passageway) installed during March. This maintains safe pedestrian access into the centre from this carpark and will be in place until development nears completion later this year. You will also start to see concrete pillars constructed in the Eastern Carpark as the external component of UPSTAIRS begins to be built.

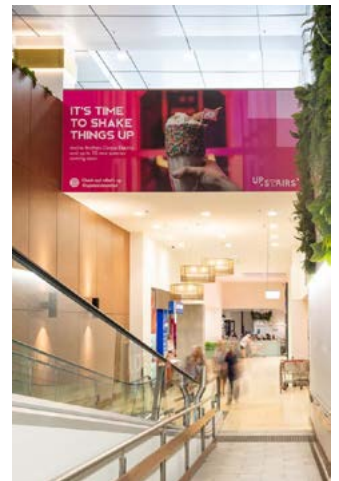

The food court is almost complete and set to open in April. All our food tenants are coming back with fully refurbished stores, a fresh new look and some new menu items. Be sure to check out their \$5 meal deals running throughout April and their Happy Hour specials on 27 & 28 April!

We will also be installing more signage throughout the centre communicating to our customers what will be arriving UPSTAIRS. Make sure you 'look up' when walking around the centre and you will see the sign in front of Hairhouse Warehouse, above Boost and as you come down the travelators to Kmart.

If you have any questions or concerns about the impact of any of the above works, please get in touch with our Centre Manager Melanie Hodge. We look forward to keeping you all in the loop and sharing updates on these exciting development plans with you all.
