MAY 2019 NEWSLETTER

## DEVELOPMENT UPDATE

Construction of UPSTAIRS is moving along nicely. Piling has been completed in the Northern Carpark and void infills are on track to finish shortly. We really appreciate your patience and cooperation with the impact these works have had over the last few months.

We have recently reopened the food court and all tenants are back with stunning new refurbished stores and some new menu items. If you haven't already, be sure to visit the new precinct on your break and enjoy some of their delicious goodies. We have also installed wireless phone chargers on some of the tables for convenience.

If you have any questions or concerns about the impact of any of the above works, please get in touch with Centre Manager Melanie Hodge. We look forward to keeping you all in the loop and sharing updates on these exciting development plans with you all.

## STAFF PARKING

Just a reminder that all staff, including weekend casual staff, are required to park in designated staff car parking spaces. These are located on the Target/Kmart rooftop or directly behind the cinemas. Please refer to the attached map. Due to the development works taking place, it is extremely important that we leave the prime parking available to our customers. If you have any questions about this please contact our Retail Manager, Michelle Lucadou-Wells: [michelle.lucadou-wells@mirvac.com](mailto:michelle.lucadou-wells@mirvac.com)

## BRISBANE STREET ART FESTIVAL

During May, local and international street artists will take over the centre, bringing our walls and sidewalks to life as part of this year's Brisbane Street Art Festival.

The festival will see world renowned artists come together to create 8 incredible murals, over two fun-packed weeks of exhibition, performances, activations, pop-ups and an epic rooftop party!

The artists coming to the centre include Wasp Elder, Leans, Kristopher Ho, Sortwo, Gus Eagleton, Karri McPherson, Xandolino and John Kaye. Some of these pieces will be completed during trade so our customers can watch live murals. We can't wait to see what they do with these incredible spaces.

We will also be hosting a ton of workshops—typography, outdoor aerosol, lino printing, screen printing and more from our pop-up art studio, which will be located next to Pandora. It's going to be epic, so make sure you check the pieces out in the below locations:

- Gus Eagleton - Located in Kmart Corridor
- John Kaye - Located Target Mall
- Karri McPherson - Located Sandgate Road

- Kristopher Ho - Located Kmart Mall
- Leans - Located Carpark airtrain pillars
- Sortwo - Located Kmart Mall Lobby
- Wasp Elder - Located McDonald's Drivethru
- Xandolino - Located Kmart Mall

## MOTHER'S DAY

Sunday 12 May is Mother's Day. If your store has any special offers or promotions for this celebration, please email the details to [toombul@mirvac.com](mailto:toombul@mirvac.com) so that we can advertise these for free on our website and social channels.

## CHARGEFOX INSTALLATION

Our latest electric vehicle charging stations are due to open mid-May. Chargefox will be installing four charging stations which can deliver up to 400km of driving range to electric cars within 15 minutes. The new charging stations are a significant milestone, enabling drivers to travel longer distances without worrying about either running out of charge or spending hours waiting for a recharge. Chargers will be located on the rooftop carpark next to Kmart.

## MUMS & CO. MOVIE NIGHT

Aladdin is set to release and secretly...we can't wait! This month we're going to be treating our Mums & Co members to a private screening of the Disney remake upstairs at BCC. Guests will receive a delicious cocktail on arrival along with some nibbles before they watch the live-action movie starring Will Smith. Tickets to this event will be available for purchase via our website in a few weeks.
