DEVELOPMENT UPDATE

Construction UPSTAIRS has ramped up recently in the Bunnings / Petbarn carpark. If you have driven down Masefield Street, you would have noticed that concrete was poured to create the slab for the external plaza UPSTAIRS.

You will also notice some changes internally on Level 1 later this month. Hoarding will be installed around the voids in front of the cinema and McDonald's so that the voids can be partially infilled. Access to Level 1 via the travelators and the temporary staircase will remain during this time.

We are excited to share with you another stellar bar and restaurant that will be opening UPSTAIRS later this year. Owners of the amazing Beyond the Pale in Coorparoo will be bringing their latest venture, Dapple + Waver to Toombul. The modern, sophisticated open-plan restaurant and bar will serve a range of refreshing drinks and tasty eats including craft beers on tap, wine & cocktails, gourmet pizzas, steaks and pork belly bao. We look forward to sharing more of new tenants with you in coming months.

If you have any questions or concerns about the impact of any of the development works, please get in touch with our Centre Manager Melanie Hodge.

BRISBANE STREET ART FESTIVAL

Throughout May, Toombul was transformed into an art hub, as a part of an extremely exciting partnership with the Brisbane Street Art Festival. We saw world renowned artists create 8 incredible murals throughout the centre, on top of interactive workshops and live panels in our pop-up studio. And we can't forget the epic rooftop party which saw 420 guests celebrate amongst live music, roving entertainment, live street art battles and delicious food from Dapple+Waver, who will be opening UPSTAIRS later this year.

The response we received from our customers about the addition of street art to the centre has been overwhelmingly positive and this is only just the beginning. Please see below some highlights from the festival...

MUMS & CO.

We were ecstatic with how popular our water colour art class was back in February so we're doing another one in June! Local artist, Wendy Cumes Rowell, who has over 20 years experience as an Art Director, will be coming back to teach another class, taking guests through a step by step process on how to create their own fashion print to take home at the end of the night.

This event will be held on a Saturday 15 June in the space next to Watchworks. Tickets to this event will be available for purchase via our website next week.

NUNDAH COMMUNITY ENTERPRISES COOPERATIVE

We are very proud to announce that we have partnered with not-for-profit, Nundah Community Enterprises Cooperative (NCEC) to provide job opportunities for people in the local community who have struggled to find employment due to intellectual disabilities or mental illness. Since the start of May, the NCEC team have been completing landscaping and maintenance duties at the centre. Please make them welcome if you see them around.

MARKETING DIRECTIONS

This week you received a copy of our Marketing Directions outlining some of the exciting campaigns and events we will be running over the next 12 months. We would be happy to meet with you to answer any questions you have about these campaigns or how you can get involved. Please email us to arrange a meeting - toombul@mirvac.com

STAFF PARKING

Just a reminder that all staff, including weekend casual staff, are required to park in designated staff car parking spaces. These are located on the Target/Kmart rooftop or directly behind the cinemas. Due to the development works taking place, it is extremely important that we leave the prime parking available to our customers. If you have any questions about this please contact our Retail Manager, Michelle Lucadou-Wells - michelle.lucadou-wells@mirvac.com
