CENTRE IMPROVEMENTS

DEVELOPMENT UPDATES KMART MALL UPGRADES

Construction has commenced in the Kmart Mall. Upgrades will include; updating existing ceiling finishes, furniture, column details and lighting to complement the addition of the revitalized Target Mall & Fresh Food Malls. It is anticipated that the works will be completed by October 2018.

This mall will become a construction zone from 9:30pm to 6:30am throughout the duration of the works and after-hours access to your tenancy will be restricted during this time. Dust protection will be installed for the duration of the works to protect your tenancy, and cleaning will commence from 5am each morning.

EXTERNAL OASIS - LICENCED SEATING AREA

A new covered external licenced seating zone is being built in the area external to Billy Baxter's to create a vibrant new casual dining precinct. We are extremely excited to be welcoming Rashay's, a family friendly all day dining restaurant to Toombul's new casual dining precinct. Rashay's due to open in this area in September 2018.

Pedestrian access to this area will be closed whilst the area is being constructed with access to the bus terminal redirected through the Kmart Mall. Access to loading zone for centre staff will remain through the back of house access doors located next to Bargain City or Toombul Barber.

The centre has undergone a significant transformation over the past 12 months, and with all the new retailers that have opened and all the new refurbishment that have been undertaken, the centre is looking fresher and more vibrant than ever. It is therefore imperative that all Toombul tenants trade within the core trading hours.

For your information, the core trading hours are:

Mon , Tue , Wed	9.00am	-	5.30pm
Thu	9.00am	-	9.00pm
Fri	9.00am	-	5.30pm
Sat	9.00am	-	5.00pm
Sun	10.00am	-	4.00pm

Having our retailers trade the core trading hours is essential to providing the best experience possible for our customers. Let's all work together to make sure we are opening within the core trading hours and giving our customers the chance to shop with us within the entire time the centre is trading. If you have any questions or concerns please have a chat with our Retail Manager Jenny Huby.
